Danger in Asking Advice.

When you have a cough or cold do not ask some one what is good for it, as there is danger in taking some unknown preparation. Foley's Honey and Tar cures coughs, colds, and prevents pneumonia. The genuine is in a yellow package. Refuse substitutes. Ed Greene
Millions of bottles of Foley's Honey and Tar have been sold without any person ever having experienced any other than beneficial results from its use for coughs, colds and lung troubles. This is because the genuine Foley's Honey and Tar in the yellow package contains no opiates or other harmful drugs. Guard your health by refusing any but the genuine. Ed Greene

David Hume and His Wine.

A jocular bequest of David Hume to his friend John Home was curious. Home liked claret and disliked port, calling it poison, and the two friends had many discussions on the subject. They also used to have disputes as to which of them took the proper way of spelling their common family name. The philosopher, about a fortnight before his death, wrote with his own hand the following codicil to his will: "I leave to my friend, Mr. John Home of Kilduff, ten dozen of my old claret at his choice and one single bottle of that liquor called port. I also leave him six dozen of port provided that he attests under his hand, signed John Hume, that he himself alone finished that bottle at two sittings. By this concession he will at once terminate the only two differences that ever arose between us concerning temporal matters."—New York Tribune.

Ringling in the Ears.

"Ringling" in the ears is a most peculiar condition. It is interesting to learn that, though the brain so distinctly receives an impression of sound, there is really no sound at all. The sensation is produced by derangement of the nerves of the ear, caused by poor circulation or such pressure and interference as come from hardened, excessive wax, boils, etc. Some one oddly remarked that when the ears were ringling they were "insane." Truly, they carry wrong impressions to the brain. They record things that do not happen.

A Texas Wonder.

There's a Hill at Bowie, Tex., that's twice as big as last year. This wonder is W. L. Hill, who from a weight of 90 pounds has grown to over 180. He says: "I suffered with a terrible cough, and doctors gave me up to die of Consumption. I was reduced to 90 pounds, when I began taking Dr. King's New Discovery for Consumption, Coughs and Colds. Now, after takinking 12 bottles, I have more than doubled in weight and am completely cured." Only sure Cough and Cold cure. Guaranteed by Ed Greene Druggist. 50c and \$1.00. Trial bottle free.
